TERMS AND CONDITIONS OF PARTICIPATION – FLEA MARKET

1. Time – place – products

The flea market will take place from Friday 22nd June to Sunday 24th June 2012 on the grounds of the new exhibition centre in Friedrichshafen (halls A3, A4 and the day flea market). The flea market will be open on Friday and Saturday from 9 am to 6 pm and on Sunday from 9 am to 3 pm. The flea market halls are guarded at night. Goods can be brought to the flea market via especially signposted entrances. **The product range must be restricted to used goods and NOS* goods from the areas of amateur and CB radio, electronics, computers and accessories. Any deviations from this will be penalised with immediate exclusion from the flea market without reimbursement of costs. In this case, the exhibitor will also be requested to leave the grounds immediately.**

* The abbreviation NOS stands for *New Old Stock*, which is English for *old inventory*. It designates electrical components or equipment, which were manufactured before the RoHS Guideline was issued and therefore does not have to be observed.

2. Additional structural items – technical equipment

Tables (2 x 0.6 m) will be set up. Vendors may not bring their own additional structural items or tables. The regulations specified by the building authorities must be observed. If a flea market participant requires a power source, this must be requested separately. The participant must bring his own extension cables, as needed. Power connection and consumption are billed at a flat rate of € 15.00 (for registrations made by 29/05/2012), regardless of the actual duration of use. Applications received after 01/06/2011 or on site will be charged € 20.00 per connection.

3. Vendors - second hand goods only

These are **private persons** who only sell **second-hand** and **NOS goods**. They pay a price of € 42.00 per table on all exhibition days, as per order is one flea market exhibitor pass included. **Any breach of these conditions will be penalised with immediate exclusion from the flea market without reimbursement of costs. In this case, the exhibitor will also be requested to leave the grounds immediately.** Advance registrations are required and can be accepted as long as space is still available, or until 31st May 2012 at the latest. Acceptance to the flea market will be confirmed in writing. All persons involved in sales need a flea market exhibitor pass.

Approved flea market participants must occupy their tables on Thursday 21st June 2012 between 7 am and 7 pm or on Friday 22nd June 2012 between 7 am and 9 am. If the space is not occupied by the start of the exhibition at 9 am on Friday 22nd June 2012, the exhibition management reserves the right to reallocate this space. There will be no reimbursement of stand fees in case of non-occupation; this will be offset against the administrative costs of reallocating this space.

4. Vendors – day flea market

Day flea market vendors **are private persons** who only sell individual **second-hand** pieces from their own private collections (see goods class under point 1). They pay a price of € 26.00 per exhibition day and table. **Any breach of these conditions will be penalised with immediate exclusion from the flea market without reimbursement of costs. In this case, the exhibitor will also be requested to leave the grounds immediately.**

Advanced registrations are not possible. No power supply is available for the day flea market. Any available space will be allocated on Thursday 21st June 2012 between 2 pm and 7 pm or on Friday to Sunday 22nd June 2012 – 24th June 2012 between 7 am and 9 am. Reservations are necessary when submitting your flea market registration. Exhibitors without a parking pass can enter the grounds for loading and unloading, after paying a deposit of € 100.00 for 90 minutes. After this time, the deposit will not be returned.
